

VERBENA SUMMER SECRET

VERBENA REVEALS A SECRET FOR THIS SUMMER...

Along the paths of Provence grow plants full of **mystery and enchantment** – plants that, in times gone by, were believed to have **magical powers...**

Specially for summertime, L'OCCITANE has created a **bouquet of herbs, including Verbena** – the most sacred plant of all : these herbs combine their refreshing powers & tonic scents in a secret infusion, perfect for the sunny season.

Delight your senses with this new summer collection where the radiance of verbena heightened by an aromatic note create a burst of captivating freshness.
